

FIFA 10: the Verdict

FIFA 10: the verdict www.fifainformer.com

The press/gaming sites has now reviewed FIFA 10, see what they had to say about this years game!

Eurogamer - 9/10

"If last year saw FIFA knocking PES off its perch, this year it's chasing it around the birdcage with a plank of wood and a sledgehammer."

IGN UK - 9.3

"On the pitch, then, FIFA 10 delivers a game that's unprecedented in its scope, its authenticity and flexibility working together to create a football game that can stake a very serious claim to being the very best ever seen."

videogamer.com - 9.0/10

"Since FIFA 10 arrived into the VideoGamer.com office, it's been in almost constant use. We all love it. It's a simulation in the truest sense, and is sure to solidify FIFA's leading position in the two-horse race with Konami's PES (well, until PES 2010 comes out, anyway)."

Gamespot - 9.0/10

"FIFA 10 is a high-caliber football game--it plays a fantastic game, offers a wealth of modes, and addresses every major fault from FIFA 09. The new 360-degree control in particular is a revelation ..."

CVG (Xbox World) - 9.0/10

"Few games can promise a year's worth of new sights, night after night. But FIFA 10 can."
